No. RCS/AR(III)/Sanguem/8/78

- Read:— 1. Audit Report of the Sanvordem V.K.S.S. Society Ltd., Sanvordem for the years 1975-76 & 1976-77.

Inspection Report of the society released by Senior Inspector, Coop. Societies, Panaji vide his letter No. SI/KAS/INSP/77 dated 16-6-1977.

3. This office letter No. RCS/AR(I)/Sanguem/8/78 dated 27-1-1978.
4. Report of the Study Team set up by the Reserve Bank of India.
5. This office interim order No. RCS/AR(III)/Sanguem/8/78 dated 29-7-1978.

The Sanvordem V.K.S.S. Society Ltd., Sanvordem was registered on 8-10-1963 under code symbol No. RES-(c)-79/Goa with the main object of fulfilling agricultural requirements of the agriculturist members of the society, such as distribution of credit, fertiliser, improved seeds, equipments, etc. However, it has been observed that the society has stopped fulfilling the said objectives for the last many years and is stagnant at present.

Further the society has been sustaining losses continuously for the last few years as indicated below and its accumulated losses as on 30-6-1977 were to the extent of Rs. 7850-14 which has wiped out 100% of members share capital.

Year	Net loss sustained
Accumulated losses upto 30-6-1974	Rs. 1337-26
1974-75	Rs. 1948-14
1975-76	Rs. 1362-32
1976-77	Rs. 3202-42

The entire S. T. Loan outstanding with the members which was to the tune of Rs. 18850/- as on 19-1-1978 has become overdue for repayment. However the management of the society has not channelised legal action against the defaulter members for the recovery of said dues and thereby restant its working.

In the circumstances in order to stop further drainage of funds an interim order as at Sr. No. 5 above for taking the society into liquidation and calling upon the society to submit its explanation within one month in terms of Section 102(1) of the Act was issued by this office. The society submitted its explanation vide letter dated nil (received in this office on 29-8-1978) and raised objection for taking the society into liquidation as proposed by this office. The Chairman of the society was called upon in this office on 26-9-1978 for discussion in the matter and to assess the present working of the society. During the discussion the chairman was explained the necessity and the circumstances compelling for winding up the affairs of the society to stop further drainage of public funds and alternative arrangements proposed so as to serve the agriculturist members of the society in a better manner. Nevertheless the society has raised objection to the proposed liquidation of the society vide its letter dated 16-10-1978 in which it is contended that an amount of Rs. 3500/- towards principle loan and Rs. 3472/- towards interest has been recovered from the members and the remaining amount will be recovered by January, 1979 and that the losses suffered by the society and as revealed from the audit report are not correct since the society has never been in losses till this date and the audit figures are not correct. The contention of the society as above is not tenable and justified in as much as that the society is stagnant for the last few years without undertaking any business which has resulted in sustaining losses by the society in absence of any source of income to the society and as such the figures of losses as indicated in the statutory audit reports have to be considered as correct. Further the society had not initiated any action for recovery of the overdues from the defaulter members inspite of repeated instructions from this office to that effect and only after issue of interim order for liquidation the management has shown some interest in the recovery of overdues and that too all the defaulter members have so far not been covered by legal action for recovery of dues from them which indicate that the management is not prepared to take coercive action for recovery of defaulted amounts.

Order

In view of the above, I am satisfied that the society ought to be wound up in the interest of the members of the society, in particular and the public in general. Hence I, D. V. Sathe, Asstt. Registrar of Coop. Societies, Panaji, confirm the order cited at Sr. No. 5 above in terms of Section 102(2) of the Maharashtra Coop. Societies Act, 1960 as applied to the Union Territory of Goa, Daman and Diu.

Further, in virtue of the powers vested in me under Section 103(1) of the said Act read with Rule 86 of the Coop.

Societies Rules, 1962, I hereby appoint Shri R. V. Sail, Senior Auditor, Coop. Societies, Sanguem as liquidator of the said society.

2. By the claim statement, the Union contended that the lay off was originally notified to be from 20-7-1974 and thereafter by a notice dated 19-7-1974 it was to be effective from 22-7-1974 and the reason given for the lay off was as alleged 60 per cent power cut; there was really no power cut and it was only a ruse adopted to harass and to victimise the workmen and for retrenching the workmen during off season; the lay off was not lifted till 23-10-1974; and that as the lay off was illegal the workers be paid full wages for the period during which the illegal lay off was continued by the Management.

3. By the written statement, the Management contended that there was a general power crisis all over the country the supply of electricity from the neighbouring States of Maharashtra and Karnataka to Goa Territory was cut from March to April 1974 and it went on increasing in percentage of cut; on 9-4-1974 the Electricity Department requested the employer for a voluntary cut of 20 per cent allocating 63224 units; in spite of this, the Management did not resort to lay off but so arranged the working that the normal complement of the workmen would be on work till 30-6-1974; on 25-6-1974 the Electricity Department again wrote directing the management to cut the power consumption by 60 per cent; the Asst. Engineer who visited the factory on 28-6-74 and found that the consumption had exceeded the average for the first two days disconnected the supply for one and half days; this discontinuation made the management realise the seriousness of the situation and hence plans were made to keep the consumption within the prescribed limits and thus the lay off became necessary by reasons beyond the control of the management; the allegations of the union in regard to the management's reasons for the lay off are false and untenable and that therefore the union's claim be negated with costs.

4. No reply to the written statement was filed by the union.

5. The management examined the Administrative Officer of the Company. He produced exhibit M1 which is collectively the correspondence between the management and the Electrical Engineer. He also produced the two notices of lay off. His cross-examination was partially recorded and he was asked to get certain other documents and the further cross-examination was adjourned. Copies of documents were given to the union on the next adjourned date. Then the case was adjourned once again at the request of the management and thereafter another adjournment was sought by the union. Then on 23-6-1977 the Administrative Officer, who had in the meantime left the management's service and had accepted another assignment for which he was to leave Goa on the following day was present. The Union Secretary who had filed the claim statement was present and he pleaded that Shri Mohan Nair had not come; the General Secretary was informed that the case would be taken up at 3.00 p.m. and in the meantime, he could look into the documents and statements of MW1 thus far recorded and cross examine the witness. At 3.00 p.m., the General Secretary was not present and he was waited for until 4.15 p.m. Thereafter the cross-examination of the witness was taken as concluded. Then the Union filed a list of witnesses and summons were sent. The case got adjourned and finally the Union General Secretary informed that it was withdrawing from the dispute and the reference as the workman concerned in it had been retrenched long back and had taken the legal dues in full and final settlement of their past claim. In view of the memo filed by the Union the following award is passed.

AWARD

There is no surviving dispute as to the lay off for being adjudicated.
